

SEASON 98 | 2023-2024

SPONSORSHIP AND ADVERTISING OPPORTUNITIES

Theatre Harrisburg is ecstatic to be opening our doors for our 2023-2024 season, marking 98 seasons of community theatre in the capital region! Since 1926, Theatre Harrisburg has been providing quality theatrical experiences and opportunities for artists of all ages, abilities, and backgrounds. Theatre Harrisburg features performances in two locations in the Harrisburg area. Our “home” is uptown at the Jay and Nancy Krevsky Production Center (often referred to as “Krevsky Center”), featuring an intimate performance space, as well as the theatre’s administrative offices and set/costume construction facilities. In addition to this, Theatre Harrisburg showcases its more lavish productions at Whitaker Center for Science and the Arts in downtown Harrisburg.

Throughout our nearly ten decades of history, one thing has always remained constant: our community truly serves as the backbone of our success. At Theatre Harrisburg, the community takes center stage. We rely on the support and commitment of local artists, technicians, volunteers, and businesses to continue serving as one of the oldest operating community theatres in the United States.
